 **Ripple Effect:** For every dollar hospitals spend, an additional **\$1.40** is generated in spending in local economies. For every hospital job, **1.4** jobs are created in other sectors.

A Message from IHA

Critical and Irreplaceable

Illinois hospitals and health systems provide vital healthcare 24 hours a day, seven days a week, 365 days a year to millions of people across our state, regardless of their ability to pay.

In addition to serving as centers of healing and hope, Illinois hospitals are also powerful drivers of economic activity and opportunity in their communities and for Illinois.

Illinois hospitals and health systems generate:

\$101.3b

Statewide
economic impact

495k

Jobs that bolster
working families

\$45.3b

Payroll that supports
good-paying jobs

**The strength of local communities depends
on the strength of local hospitals.**
