

## Objectives

- Learn how to identify and treat arterial ulcers
- Discuss treatment and management options for short bowel syndrome
- Discuss diabetic ulcers and be able to appropriately off load them
- Be able to understand lymphedema and its management
- Understand principles of hyperbaric oxygen therapy and be able to describe its contribution to wound healing

## Intended Audience

The purpose of this program is to provide healthcare professionals with the most current wound care and ostomy information to increase the quality of care provided to our patients.

## Continuing Education Credits

Sarah Bush Lincoln Health Center (OH-347, 9/1/18) is an approved provider of continuing nursing education by the Ohio Nurses Association (OBN-001-91), an accredited approved by the American Nurses Credentialing Center's Commission on Accreditation. A total of six contact hours will be awarded for attending the entire session.

Please complete your evaluation form and turn in at the conclusion of the program in order to receive your CEU's.

\*You must stay for the entire program to receive your CEU certificate.
