### **Basic Strength Training and Balance** L

This class is open to anyone, but geared for the 55+ population. Using a variety of equipment you will work on muscle endurance, muscle strength, balance, and an overall low intensity total body workout.

### **Beginners Strength** L/M

A class aimed at those new or seeking more confidence strength training! It will include a series of low-moderate intensity strength training exercises to help you increase strength gradually. A lot of dumbbell fundamentals. This will be a great addition to your cardio workouts!

### **Cardio Core** M

A fun-filled class that integrates a variety of cardio and core conditioning exercises for a balanced and invigorating workout.

### **Circuit Training** L/M/H

Challenge your cardio workouts and strength systems in this high energy, total body conditioning class. Circuit training is a total body challenge that is designed to combine resistance training and aerobics that will target strength building and improve muscular endurance through various stations.

### **HIIT** M/H

"High Intensity Interval Training." This class is designed to be a total body, aerobic, and strength conditioning workout. This interval-based class combines full-body strength training with high intensity cardio bursts designed to burn fat and improve your endurance. Modifications for all fitness levels are provided.

### **Pilates** L/M

A class designed to work on your flexibility, core strength and endurance by performing movements that flow together in a graceful and efficient way.

### **SHiNE Dance Fitness** M

This class brings original routines to life using hit music and choreography for all-abilities. Rooted in jazz, ballet, and hip-hop movements, this workout gives you a creative outlet to escape from daily stress. Each class includes the perfect balance of high cardio and toning to ensure you receive a full-body workout with real results. SHiNE is a mood-lifting experience that leaves you feeling capable and confident.

### **Total Body Strength** M/H

A resistance class that focuses on the principles of strength training to help you increase strength and sculpt the body. This class will push you to do less reps with more weight to maximize your strength potential. You will use a variety of equipment, bodyweight, barbells and dumbbells.

### **Trainer's Choice** L/M/H

This is a surprise class which will be decided upon by the trainer. This is sure to be a good time.

### **Upper Body Pilates** L/M

Strengthen, sculpt, and tone your upper body! This class focuses on building strength and stability in the arms, shoulders, chest, and back while engaging the core for a full-body workout. Using controlled movements, light resistance, and mindful breathing, you'll improve posture, flexibility, and muscle endurance without heavy lifting.

### **Yoga** L/M

This class will teach individuals the basic fundamentals of yoga, which places the body with intention and purpose. Students will learn how to connect breath to movement through aligning the body, building strength, and how to find clarity in the mind, leading to relaxation and stress relief.
