

Nineteenth Annual

Memory Day

a special day of remembrance geared toward children

10 am
Saturday, June 16

Lumpkin Family Center for Health Education, Entrance C
Sarah Bush Lincoln Health Center

Memory Day will focus on cherished memories children have of special people they have lost in their lives, as well as pay tribute to them. As part of the event, children will plant flowers, participate in group activities focusing on grief, including a release of doves. There is no charge to participate in Memory Day, however, an adult is requested to stay with the child during the program.
