Job Details: Certified Nurse Assistant

\*\* New unit \*\* Sarah Bush Lincoln is excited to announce the addition of a 16 bed Close Observation Unit (2 East). This unit will be fully functional in mid to late 2016. However, we are now starting recruitment and training. Those hired to this position would be trained now on our current medical-surgical units and transition to an observation/hold unit during the construction phase of 2 east. While the construction of 2 East is in process the staff members may be floated to other units to take patients. All staff members hired to this position will report to the Director of Critical Care. The focus of 2 East once fully operational will be close observation with unit based telemetry monitoring. This is an exciting opportunity to be part of a new unit and focus on patient care. These CNA's will work as an integral member of the patient care team and assists in the provision of direct patient care services. High school or equivalent (GED) preferred. Certified Nursing Assistant/or completion of program required or completion of first semester in RN program. Previous healthcare experience in rehabilitation or CNA experience preferred. Basic computer skills preferred. Ability to work independently with attention to detail and multiple priorities. Current certification in Cardiopulmonary Resuscitation (C.P.R.) required.
