## Memory Star Ornaments and Hospice Heroes make a difference!

Celebrate the memory of a loved one or recognize a Lincolnland Hospice caregiver that was particularly kind while helping those in need of bereavement or end-of-life services.

Christmas is a wonderful occasion to honor someone with a tribute gift or thank someone who was especially compassionate in a time of need. Purchasing a \$30 Memory Star ornament or making a tribute gift helps Lincolnland Hospice extend its services to patients and families throughout our 20-county service area.

## An Experience I Will Never Forget

After Lynne Miller had exhausted her treatment options, she chose Lincolnland Hospice to help make the most of the time she had left. Moving in with her daughter and son-in-law, Kim and Dennis VanSant, in rural Marshall added to the care and nurturing Lynne needed, and having Hospice made it so much easier for the family. But what Kim hadn't expected was the level of compassion shown to both Lynne and the family by Lincolnland Hospice staff. "From the first visit, they made us feel very comfortable and would ask how we were doing. Hospice was such a blessing."

Kim considers Lincolnland Hospice staff more than caretakers, but rather friends who have shared a deep experience. "We know mom's in Heaven. She loved Jesus and she went so peacefully. It is an experience I will never forget," Kim added.

*Your charitable gift will benefit these Lincolnland Hospice programs:*

### Community Bereavement

Lincolnland Hospice offers grief support and counseling for up to 13 months to those suffering from the loss of a loved one. Your gift can benefit families coming to terms with their losses. There are bereavement programs available for children, a program specifically for dealing with the loss of a child, and a program that provides counselors to local schools for students suffering from a loss.

### Assistance to Those Without Resources

Lincolnland Hospice provides care to those in our service area regardless of their ability to pay. Your charitable gift supports this important part of our mission.

### Hospice Grant-A-Wish

People receiving Hospice care often have special wishes. They wish to speak with long-lost family members, revisit a favorite place, experience a simple dream, or sometimes just be cool in the heat of summer. Through Grant-A-Wish, we can provide that extra bit of help to make a special wish come true.
